Bangladesh

[Original: English]
[31 July 2008]

It is an important resolution for maintaining regional peace and security. Confidence-building measures through disarmaments are required for ensuring peace and stability. Resources released through disarmament can be utilized for economic, environment and social development, particularly for developing nations. Such measures will contribute to confidence-building, as well as lead to development and socio-economic progress.

Chile

In order to comply with General Assembly resolutions on the control and limitation of documentation prepared by the Secretariat and the guidelines of the Secretary-General for reports drafted and/or compiled by the Secretariat, the reply received from the Government of Chile has not been reproduced since it exceeded the acceptable page limit. The full text of the reply will be made available on the website of the Office for Disarmament Affairs (http://disarmament.un.org/rdb/).
